**BACKGROUND ON THE GUIDANCE DOCUMENT**

During the 1997 legislative session, the General Assembly enacted the Water Quality Monitoring, Information and Restoration Act (the Act). The Act directs DEQ to provide a procedure for citizens of the Commonwealth to nominate portions of lakes, streams, and rivers of Virginia for water quality monitoring by DEQ. Citizens can send their nominations to DEQ via the procedures described below. Nominations received by April 29, 2016 will be considered for inclusion in DEQ's annual monitoring plan for the 2017 calendar year. The monitoring plan will be finalized after considering the citizen's nominations for inclusion. DEQ will respond to each request in writing, stating the reasons for accepting or denying each nomination. DEQ's response is due by August 31 for nominations received between January 1, and April 29.

**PROCESS TO REQUEST ADDITIONAL MONITORING**

Each request received between January 1 and April 29, shall be reviewed when DEQ develops or updates the annual water quality monitoring plan. Such requests shall include, at a minimum (i) a geographical description of the water body recommended for monitoring; (ii) the reason the monitoring is requested, and (iii) any water quality data that the petitioner may have collected or compiled.
